## A Story of Many Hobbies

by Ruthie Plankar

Watch out for fish in the aqua park because, well, two people said they were afraid of getting bit. It is probably good for fishing. I am going to interview Eabha, for a couple questions about fishing.

How many fish have you caught so far?

The fishing hobby catches a lot of fish.

What kind of fish have you caught so far?

We have caught a lot of sunfish, bluegills, bass and hybrids. And nobody has been bitten by a fish.

That's good. I asked a kid in the fishing hobby if she liked and she said she did. So do the fishing hobby.

Warning in recording studio: Be ready for interruption by rock band. My friend is in recording studio, she said it's the best.

Archery is Andrew Levine's favorite hobby because Ian the instructor is silly.

Waterskiing is Josh Rasof's favorite hobby because it is so much fun!

My friend Ellie likes the clay hobby. She said her favorite thing that she made is the pinch pot.

## Interview with Ron Kaplan

by Shai Morris

Q: What is your favorite part of camp?

A: Interviews for the newspaper and talking to nice people.

Q: Where are you from?

A: Rome, New York

Q: What are you good at?

A: Newspaper interviews

Q: How do you send the laundry and get it back?

A: It goes in a big truck, and then to a big building and put in VERY big washing machines and VERY big dryers. Then it gets folded (kind of) and put into bags, and the bags get put into laundry carts and the laundry carts get put back on the big truck and sent to camp.

Q: What do you do in your free time?

A: I like to play basketball with your dad, Shai. He is a lot of fun to play with whether I'm playing with him or against him.

Q: How many years have you been at camp?

A: 38 years

Q: Do you have clothes for everything?

A: I do, but not here. And I'm glad I didn't need a shirt and tie for this interview because I don't have one right now.

Ron also very much enjoyed the blue swing, where this interview took place. He said that he hadn't been on it all summer and it felt great for his knees.

## Captain Underpants Comic

## Graffiti?

a fictional story by Ruthie Plankar

One day one of my friends was walking to the clothesline when she caught her eye on something. It was sunscreen on the wall that said something mean about OI. Some people thought it might have been Keshet boys that did it, since they are next door. Last year some of the Keshet boys went into the counselor's quarters and mixed everything up. The whole cabin is wondering who could've done this and why.
